## **SOUTH VERMILLION MIDDLE SCHOOL TEAMING GOAL**

The intent of South Vermillion Middle School is to develop a total educational program, one which is conducive to the developmental, as well as academic, growth of our young adults. We strive toward making students aware of their abilities as thinking and feeling individuals who are able to take an active role in their education and in their lives. This represents a significant change from the traditional role of the student.

## **THE MISSION OF SOUTH VERMILLION MIDDLE SCHOOL**

The mission of South Vermillion Middle School is to enable all students to develop excellence in academic achievement and social responsibility by providing a variety of well-rounded programs in a safe, positive environment that includes parents and community.

## **GUIDANCE SERVICES**

The Guidance Counselor provides services to students, parents, and teachers. These services include a variety of activities which are described briefly here.

One of the primary responsibilities of the Guidance Counselor is to provide counseling services to students, counseling or consultation with parents, and/or consultation with school staff. To be effective, the Guidance Counselor must adhere to, and respect, student confidentiality.

The Guidance Counselor provides academic advisement to all students, with emphasis placed on assisting eighth grade students as they prepare for the transition to high school. The counselor also educates eligible 7<sup>th</sup> and 8<sup>th</sup> grade students and families about the 21<sup>st</sup> Century Scholar program.

The guidance counselor is responsible for any and all Public Agency Representative (PAR) responsibilities. The PAR creates, oversees, and facilitates conferences for students with an Individualized Education Plan (IEP). Students with an IEP receive Special Education services. As such, the Guidance Counselor works hand in hand with special education teachers, the Covered Bridge Special Education District, students and families to ensure that every student has his or her best chance at success.

The Guidance Counselor facilitates ISTEP+ .

Students may email the guidance counselor to request an appointment or have their teacher contact the counselor to determine availability. Usually, appointments will be made for the student's study hall period; however, other arrangements can be made if necessary.

## ATTENDANCE POLICY

In order for each student to receive the best education, it is necessary that attendance be considered as the first priority of all students, parents, and school staff.

The South Vermillion Middle School provides a complete and varied curriculum which meets the basic needs of all students and gives each an opportunity to explore new areas. Attendance in all classes is essential if students are to benefit from the school offerings.

Students' first 10 absences will be excused with a parent's/physician's note as long as they concur with state guidelines (personal illness, death in family, etc.). After the tenth parental/physician note, absences will only be excused with a written physician's note. If a physician's note is not presented after the tenth parental note, the absence will be UNEXCUSED. Any absence involving medical care from a doctor or dentist should be verified with a doctor's statement upon return to school. All dates that the student was under a doctor's care need to be on the statement.

An UNEXCUSED absence is defined as one not following state guidelines or one in which a physician's note is not presented after the ten days of parental notes have occurred. Unexcused absences include "personal reason", baby sitting, getting hair cut, etc. Students with unexcused absences will be assigned behavior modification. After three unexcused absences, a student will be classified a habitual truant and the courts will be notified. Their continued enrollment in school will be jeopardized.

Vacation – The parent/guardian of the student must fill out a vacation form (school website) at least one week prior to the vacation. If the student has missed 10 days or more, the student will be subject to the consequences that accompany "unexcused absences".

Parents will receive letters of notice after the fifth and tenth absences.

## HABITUAL TRUANT

Under I.C. 20-33-2-25, the Superintendent or an attendance officer having jurisdiction **shall** report a child who is habitually absent from school in violation of this chapter to an intake officer of the juvenile court **or the department of child services**. The intake officer or the department of child services shall proceed in accord with IC 31-30- through IC 30-40.

- A. A "habitual truant" is defined as a student who has ten (10) or more days of unexcused absences or being absent without a parental request filed with the school in one school year.\*\*
- B. All students who are at least thirteen (13) years of age but less than the age of fifteen (15) years, and who are determined to be a habitual truant per the definition above, are subject to Indiana Code 20-33-2-11, which provides that any person who is determined to be a habitual truant as defined by school board policy cannot be issued an operator's license or learner's permit until the age of 18 years, or until the student's attendance record has improved as determine by the principal upon review of the student's record of at least once per school year.
- C. Procedures developed for the administration of this policy, shall include provisions for periodic review of all students determined to be habitual truants, and their reclassification, when warranted. These procedures will be developed by the Superintendent or his/her designee.
- D. The student's principal is required to report to the Indiana Bureau of Motor Vehicles of the student's status as a habitual truant.
- E. The student upon initial designation of being a habitual truant is entitled to the same statutory procedures as a student who is being expelled.

## EXEMPT

Under certain circumstances, the law requires the school to authorize the absence and excuse of a student: serving as a page or honoree of the General Assembly (IC 20-33-2-14); serving on the precinct election board or as a helper to a political candidate or party on the day of a municipal, primary or general election (IC 20-33-2-15); when subpoenaed to testify in court (IC 20-33-2-16). In each of these circumstances, the student is excused from school and is not to be recorded as absent, and is not to be penalized in any way by the school.

All students, including those in kindergarten, enrolled in South Vermillion Schools are subject to compulsory attendance laws. (IC 20-33-2-6). Parents will be held accountable for student attendance. (IC 20-33-2-27) It is unlawful for a parent to fail to ensure that the parent's child attends school as required under this chapter.

## ATTENDANCE

1. ON THE DAY A STUDENT IS GOING TO BE ABSENT, it is the responsibility of the home to contact the school. A parent or guardian should call the school between 8:00 a.m. and 8:30 a.m. We are required by law to know where all students are and why they are not in school.
2. NOTES will be required when there is no contact between the school and the home during a student absence. Bringing a note or having a parent or guardian call the school will be required; otherwise, the absence will be considered a truancy.
3. UNEXCUSED ABSENCES will be recorded if there is neither a phone call or a note within the required time. This type of UNEXCUSED ABSENCE will result in the student being assigned time in isolation and/or behavior modification to make up for the absence.
4. THE DAY FOLLOWING AN ABSENCE, the student must report to the office to turn in their parent note if their parent has failed to call
5. If the student is absent from school for more than a ½ day, the student may not attend after-school activities without the written approval of the principal.

6. ANY STUDENT WHO LEAVES SCHOOL DURING THE DAY MUST FIRST GET PERMISSION FROM THE OFFICE BY OBTAINING A PERMISSION SLIP. Any student who leaves the school grounds during the school day without first obtaining a permission slip and signing out on the attendance log on the office counter will have their absences recorded as UNEXCUSED. Detention time or other appropriate penalty will be assigned.
7. STUDENT ERRANDS DURING THE SCHOOL DAY, other than those on campus, may not be allowed for legal reasons. Students may not leave the school grounds during the day to go after books, assignments, materials, etc. If you leave something at home, you will have to bring it the next day or parents will be called to make arrangements.
8. STUDENTS WILL NOT BE REQUIRED to get a late slip if they are late to class. They will report directly to class. Discipline measures for excessive tardiness will be the responsibility of the classroom teachers. STUDENTS WILL BE REQUIRED to get a tardy slip if they are late arriving to school. Students who arrive late to class must have a pass from a teacher; otherwise, the tardy will not be excused.
9. If a student enters the building after 8:20 a.m., they are tardy to school. The administration will assign the appropriate consequence as described in the section on student discipline.
10. Students arriving to school after 8:20 a.m. will be considered tardy to school. Three tardies to school in the same semester will result in an after school detention being assigned. Additional tardies will result in ASD and notification of the appropriate officials. This would include the office of Child and Family Services as well as the prosecutor.
  - a. It is the parent's responsibility to ensure their child arrives to school on time. The corporation provides transportation to insure this. Failure by the parent to have their child in school before 8:20 does not waive the consequence for the student's tardiness.
11. Absences -
  - a. Excused - The student will make up all missed work. The time allotted for such make up is 1 day for each day missed.
  - b. Unexcused - The student will make up all missed work. Administrator will administer consequences.
  - c. Behavior Modification - Students will be given their daily assignments and will make up all graded work which is to be counted the same as if they were in the classroom.
  - d. Out of School Suspension - Students may make up all missed work. Parents may pick up work. It is due the day they return.

#### **DEFINITION OF PERFECT ATTENDANCE**

A student will maintain their perfect attendance if they are here the entire school day, 8:20 a.m. to 3:20 p.m.

#### **SCHOOL-SPONSORED FIELD TRIPS**

School-sponsored field trips are an extension of the school curriculum. In addition, they also enhance the students' academic and social well-being. Field trips during the school day are not optional and students who are unable to participate due to circumstances beyond their control will still need to be in attendance at school. The teacher will assign work related to the field trip experience. The parents' approval of all school-related field trips will be in effect with their signature upon receiving the student handbook. Some field trips may require students to meet specified criteria to be eligible to attend.

#### **STUDENT DRESS**

Please consider that dress guidelines are not devised to infringe on individual tastes or preferences, but that they are necessary to provide a sound educational process. **This policy is in effect at all school functions and events.** Ultimately, we ask that students exercise reasonable judgment as spelled out in the following guidelines.

1. Students' physical appearance must be deemed appropriate at all times by administration.
2. Shoes or sandals are to be worn at all times during the school day.
3. Shorts, skirts, or dresses without leggings must be knee length. Leggings are acceptable if worn with an article of clothing that is fingertip length. Skin must not be visible through the legging material.
4. No skin is to be exposed between the waist of pants, shorts, or skirts and the bottom of the upper garment (shirt, blouse, sweater, and the like). There should be NO holes in pants, shorts, or skirts above the knee. Tops that are revealing are not permitted, including spaghetti strap tops.
5. Hats, sunglasses and bandanas are not to be worn inside the building unless a special school activity has been proclaimed.
6. Offensive or suggestive slogans, groups, individuals, or offensive designs on clothing, including alcohol, tobacco, or other controlled substances, are not permitted.
7. Chains of any type worn as necklaces, wallet chains, or watch chains are not allowed. Shot bead necklaces of any size with the three-hole clasp that may be cinched tightly are not allowed.
8. Students are not to have body piercings other than pierced ears. Lip, tongue, nose, and eyebrow piercings are NOT acceptable.
9. Hair color is to be a natural shade of blonde, red, brown, or black. Hair is not to be dyed or streaked any unnatural color.
10. Coats, jackets, and book bags are to be placed in lockers during the school day.
11. Students are not allowed to wear pajamas to school. This includes pajama pants.

Teachers are to send students to the principal if any of the guidelines are violated. There are obviously varied interpretations concerning dress violation. **The final decisions will be made by the school administration. The above are basic guidelines and are not all inclusive.** A student's dress or physical appearance must be deemed appropriate by the administration or will be subject to correction as deemed necessary.

### **CARE OF SCHOOL PROPERTY**

All students should have pride in their school. South Vermillion Middle School belongs to you, and it is your responsibility to help keep it clean. Anyone who damages or destroys school property will be expected to pay for that property.

### **STUDENT HANDBOOK**

This is basically a listing of all the rules and policies that help to create a positive learning environment. Each student is required to keep the handbook. The student handbook cannot address all concerns that may arise and the rules are not all inclusive. The student handbook simply provides guidelines.

### **BICYCLES**

Cyclists must obey all traffic laws and safety rules. Students are not to ride bicycles on school grounds. They must walk bicycles on the sidewalk. Students are to use the bike racks provided. Skateboards are not to be ridden on school grounds. Students are also not allowed to ride motorized vehicles on school grounds.

### **STUDENT ACCIDENTS**

All student accidents should be reported as soon as possible to the nurse. If the nurse is not in her office, report to the main office. If the accident occurs in physical education class, report to the teacher. An accident report must be completed by the classroom teacher and turned in to the office prior to the end of the school day. South Vermillion School Corporation does not provide liability coverage for students who are injured.

### **DROP OFF AND PICK UP OF STUDENTS**

Parents are requested to drop their child off at the gym entrance in the morning on the east side of the building for entry into the middle school. The front entry doors are for visitors, students with disabilities, or students injured and on crutches.

Picking up students at the end of the day can be both hectic and possibly dangerous for our students with the amount of traffic between buses and parents. We ask that parents park in a parking space and allow your child to come to you. Do not pull out to pick them up or block the traffic lanes in the lot or along the curb as this creates extremely unsafe conditions and slows the movement of traffic. Parents are not to pick students up at the front entry doors at the end of the school day. Your cooperation is appreciated.

### **MEDIA CENTER**

The media center is the organizational site for most print and non-print instructional materials in the school. The center is a place where students and staff visit to browse and select materials for research on individual or group projects.

### **MEDIA CENTER STUDENT RULES**

1. The Media Center will be open each school day from 8:05 a.m. to 3:20 p.m. with staff supervision.
2. All students will visit the media center from their study hall or classroom.
3. Students who visit the media center from their study hall will be required to stay the entire period unless special permission is given from the teacher. No student will be allowed to use the media enter without a pass from a teacher.
4. Students' privileges will be suspended permanently for bad conduct or misuse of the media center.
5. No food, gum, or drinks allowed in the media center. No exceptions!!
6. Students are not allowed to use the copy machine, laminator, and cutting board.
7. Maintain a quiet atmosphere so that others in the room may work.

### **MEDIA CENTER CIRCULATION**

1. Main collection books can be checked out for two weeks, with the option of renewal.
2. Reference books can be checked out for overnight use.
3. Students may check out 2 books per visit.

4. Books can be returned before school, after school, or during visits to the center on assigned days.
5. Overdue notices will be sent to study halls. If a book is lost or damaged, students will be required to pay the amount to replace the book.
6. Current magazines and newspapers are not available for check out.

### **STUDENT REWARD DANCES**

The following policies concern all dances:

1. The school discipline policy and dress code is in effect at all dances.
2. Reward dances are for those students who staff recognizes as completing assignments, behaving appropriately and exhibiting good attendance. Students who have received a behavior modification, Saturday school, ASAP, and/or out of school school suspension will not be allowed to attend. We will monitor student behavior from the beginning of the year to the first dance, and then from one dance to the next for the rest of the year.

### **PLEDGE OF ALLEGIANCE, FLAGS, AND MOMENT OF SILENCE**

IC 20-30-5-0.5, IC 20-30-5-4.5 requires a United States flag to be displayed in each classroom of a school corporation. This code requires a school corporation to provide a daily opportunity for students to voluntarily recite the Pledge of Allegiance, and provides an exemption for students who choose (or whose parents choose for them) not to participate in the Pledge. It requires a school corporation to establish a daily moment of silence in each classroom, and repeals a law allowing an optional brief period of silent pray or meditation. This law requires the attorney general to defend a school corporation in a civil suit based on an act authorized under these provisions.

### **ANNUAL AHERA NOTIFICATION**

Under the Asbestos Hazard Emergency Response Act (AHERA) of 1986, South Vermillion Community School Corporation is required to annually notify all school building employees, building occupants or their legal guardians, of the availability and location of the Asbestos Management Plans and of any post-response action activities, including periodic reinspection and surveillance activities that are planned or in progress.

In the past year, the AHERA related activities conducted have been the Periodic/6-Month Surveillance to maintain current information on the condition of materials in our buildings, and response actions for maintenance, renovation, and demolition of affected buildings. The reports for these activities are available at the Administration Office.

Each year, the planned activities under the AHERA Standard are routine maintenance of building materials and the Periodic/6-Month Surveillance of all building materials. The Periodic/6-Month Surveillance is scheduled for September and March. Maintenance and renovation response actions will be conducted as needed to maintain materials in an acceptable state.

The AHERA Management Plans are available for public review at the Administration Building during normal working hours. A reasonable charge will be made for requested copies of the Management Plan(s).

### **POLICY ON STUDENT STORAGE AREAS**

All storage areas, including but not limited to lockers and desks, are the property of the school corporation. These storage areas are made available for student use on school premises. These facilities are for student use in storing school supplies and personal items necessary for use at school but are not to be used to store items which cause, or can reasonably be seen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rules.

The student's use of the locker or desk does not diminish the school corporation's ownership or control of them. The school corporation retains the right to inspect lockers and desks and their contents to ensure that they are being used in accordance with intended purposes and to eliminate fire and other hazards, to maintain sanitary conditions, to attempt to locate lost or stolen materials and to prevent use of the lockers and desks to store prohibited or dangerous materials such as weapons, illegal drugs, paraphernalia, or alcohol.

Student lockers and desks are school property and remain at all times under the control of the school; however, students will assume full responsibility for the security of lockers and desks.

Random, general inspections of lockers may occur without students being present whenever a reasonable suspicion of contraband being present exists. When an individual student locker is being searched, the student should be present if possible or practical.

Parents and students are also advised that a locker that is the property of the South Vermillion Community School Corporation is subject to search by school officials or law enforcement officials without notice at any time. This includes a general search of lockers of all students or searches of individual lockers. The Indiana State Police or the Vermillion County Sheriff's Department may, at the request of the school principal and superintendent, assist the school administrators in searching a locker or lockers and may have the assistance of a dog trained to detect drugs or illegal substances.

## LOCKER RULES

In order to implement the school corporation's policy concerning student lockers, the school board adopts the following rules and regulations:

1. Locks - The school corporation will retain access to student lockers by keeping a master list of combinations and/or retaining a master key. Students may not use their own locks to prevent access to lockers by school officials. Any unauthorized locks may be removed without notice and destroyed.
2. Use of Lockers - Lockers are to be used to store school supplies and personal items necessary for use at school. Lockers shall not be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rules, any library book not properly checked out or overdue, unreturned gym or athletic equipment, any stolen items, any obscene material, or cigarettes. Students will be expected to keep their lockers in a clean and orderly manner. Students should use only the locker issued to them. Lockers are not to be "set" for easy entry by students.
3. Authority to Inspect - The school corporation retains the right to inspect lockers under I.C. 20-33-8-32 (b) (c) (d) to insure they are being maintained in accordance with the conditions of Rule No. 2 above. All inspections of student lockers shall be conducted by the professional staff with the approval of administration.
4. Inspection of Individual Student's Lockers:
  - A. The inspection of a particular student's locker will not be conducted unless the principal or his designee has a reasonable suspicion or believes that the locker to be inspected contains items which cause, or can reasonably be foreseen to cause, a potential health hazard, an interference with school purposes or an educational function, or which are forbidden by state law or school rules.
  - B. Before a particular student's locker is inspected, the student, (or students, if more than one have been assigned to a locker) if present on the school premises, shall, where possible, be contacted and given the opportunity to be present during the conduct of the inspection unless a circumstance requires that the inspection be conducted without delay in order to protect the health and safety of others present on school premises. Whenever an individual student's locker has been inspected under this rule without the student's presence, the principal or his designee shall notify the student of such inspection as soon as practicable thereafter.
5. Inspection of All Lockers:
  - A. An inspection of all lockers in the school, or all lockers in a particular area of the school, may be conducted if the principal, assistant principal, superintendent, or assistant superintendent reasonably believes that such an inspection is necessary to prevent, impede, or substantially reduce the risk of (1) an interference with school purposes to an educational function, (2) a physical injury or illness to any person, (3) damage to personal or school property, or (4) a violation of state law of school rules.
  - B. If a general inspection of a number of lockers is necessary, then all lockers in the defined inspection area will be examined. Students will not necessarily be given the opportunity to be present while a general inspection is being conducted.
6. Student Material - When conducting an inspection pursuant to these rules, the inspector shall take care to avoid unduly disrupting the contents of the locker. In addition, as to written material, the inspection will be kept to the minimum level necessary to determine that such material is not in itself disruptive, or being used to conceal contraband.
7. Disposal of Confiscated Contraband - All contraband confiscated from lockers may be disposed of by the principal or his designee as he or she deems appropriate, including (a) return to the proper owner or place; (b) use as evidence in a student discipline proceeding if possession of the contraband constitutes a ground for suspension or expulsion under I.C. 20-33-8-32 (b) (c) (d); (c) delivery to the appropriate law enforcement officials for prosecution purposes if possession of the contraband constitutes evidence of a crime; or (d) destruction.
8. Involvement of Law Enforcement Officials
  - A. The principal, assistant principal, superintendent, or assistant superintendent may request the assistance of law enforcement officials to assist the school administrators in inspecting lockers or their contents.
    - (1). To identify substances which may be found in the lockers.
    - (2). To protect the health and safety of persons or property.
  - B. If a law enforcement official requests to inspect a student's locker or its contents, the principal shall require the production of a search warrant before allowing such an official to inspect.
  - C. If a law enforcement official requests the principal to make an inspection of a locker or its contents on behalf or in the place of such official, the request shall be denied. The principal may cause a locker inspection to be performed for school purposes if information supplied by law enforcement officials give rise to a reasonable suspicion that a locker contains contraband.
9. LOCKER CLEANING - Nothing in these rules shall affect members of the custodial staff who, at the directions of the principal, clean out (a) lockers from time to time in accordance with a general housekeeping schedule or (b) the locker of a student no longer enrolled in the school, or (c) a locker during any vacation period which is reasonably believed to contain rotting items such as food, wet clothes, and the like.
10. SERIOUS PROBLEMS - If the principal should find that there is a serious problem of drug abuse with the student, the principal or his/her designee may secure the use of dogs trained in detecting the presence of narcotics, drugs or alcohol on school premises. The assistance of law enforcement officers may be obtained as provided in Paragraph 8. If a dog indicates the odor of narcotics, drugs, or alcohol in a student locker, the locker will be opened and inspected. Students will not necessarily be given the opportunity to be present while the dogs are being used. However, if a locker is opened and inspected, the student, if present on the school premises, shall, where possible, be contacted and given the opportunity to be present during the opening and inspection of the locker. Whenever an individual student's locker has been inspected under this rule without the student's presence, the principal or his/her designee shall notify the student of such inspection as soon as practicable thereafter.

## STUDENT SEARCHES

The administration, when having reasonable suspicion that a student or students may have on their person an item or items which may be considered by school personnel or other students to be of a potentially disruptive nature or stolen items, require the student or students to be searched. The search may include purses, bags, pants, shoes, or other personal items. Refusal to comply may result in the notification of law enforcement personnel and will result in immediate suspension.

## HEALTH OFFICE

Procedures are as follows:

- A. Students who become ill at school must report to their teacher and obtain a pass to the health office.
- B. All students with personal injury, other than of an emergency nature, must have a pass to the clinic from their teacher.
- C. No student will be sent home and given an exempt day unless a parent or guardian is contacted by the health office. Time spent in the health office is non-exempt unless exempted by the school nurse.
- D. Students reporting to the health office will be limited to one class period. During that time the seriousness and nature of illness will be reviewed, and parents will be notified if further attention is deemed necessary.
- E. An ill student who must go home is the responsibility of the parents. In an emergency situation a member of the school staff will take the student to the emergency room of West Central Community Hospital unless otherwise stated in writing by the parents. In any case the school will try to contact the parents.
- F. Students who are ill and are to be sent home for the remainder of the school day will not return to classes in order to get assignments.

## MEDICATION

The term "medication" is presumably not limited to prescription medication, but would include over-the-counter medication such as Tylenol, Ibuprofen, cough drops, etc. Only employees designated by the school administration qualify to administer medication. All medication is to be brought to school by a parent or an adult 18 years or older with a note from the parents and counted with the nurse/health assistant. All medication is to be brought to the health office at the beginning of the day. All medication must be in the original container, FDA approved, have written permission from a parent, with the student's name, drug name, dose, route, and time. Only the amount on the directions can be given. No aspirin product can be given without a prescription.

Prescription medication (excluding antibiotics) must have the Authorization to Dispense Medication at School form completed by the physician.

Asthma inhalers and epi pens that can be self-administered and kept in the students' possession need Authorization to Dispense Medication and Asthma or Epi Contract forms.

Medication may be released to a student if the student's parent provides written permission for the student to receive the medication. All medication not picked up at the end of the school year will be disposed of on the last day of school.

Parents/Guardians may sign a consent form for SVMS and SVHS to provide Tylenol (acetaminophen) to a student as needed up to a maximum of 10 doses per school year. Once a student has reached 10 doses, the school will need a physician's statement to continue dispensing Tylenol. No exceptions will be made to administer medication without a written parental consent.

## IMMUNIZATIONS

Indiana Code 20-34-4-2, Sec. 2 (a) Every child residing in Indiana shall be immunized.

Indiana Code 20-34-4-5, Statement of immunization history; waiver; rules;

Sec.5. (a) Each school shall require the parent of a student who has enrolled in the school to furnish not later than the first day of school a written statement of the student's immunization, accompanied by the physician's certificates or other documentation, unless a written statement of this nature is on file with the school.

(b) The statement must show, except for a student to whom IC 20.34-3-2 or IC 20-34-3-3 applies, that the student has been immunized as required under section 2 of this chapter. The statement must include the student's date of birth and the date of each immunization.

(c) A student may not be permitted to attend school beyond the first day of school without furnishing the written statement, unless: (1) the school gives the parent of the student a waiver; or (2) the local health department or a physician determines that the student's immunization schedule has been delayed due to extreme circumstances and that the required immunizations will not be completed before the first day of school.

The waiver referred to in subdivision (1) may not be granted for a period that exceeds twenty (20) days. If subdivision (2) applies, the parent of the student shall furnish the written statement and a schedule, approved by a physician or the local health department, for the completion of the remainder of the immunizations.

Students that do not comply with the above Indiana Codes will be excluded from school. The immunization exclusion date for the 2018-19 school year is September 14, 2018.

## CLOSED CAMPUS

The Middle School has a closed campus. What this means is that once you arrive at school whether by bus, walking, or bicycle, you are NOT allowed to leave the school campus. Upon arrival, students are to enter the building immediately.

## CHANGE OF ADDRESS FOR STUDENTS

It is the obligation of each student to report to the office any change of address or phone number as soon as it occurs.

## SIGNS AND POSTERS

Signs and posters may not be displayed in the school building or anywhere on the school grounds without approval from the office. No posters may be placed in such a way so as to damage wall surfaces.

All approved signs and posters must be removed by the end of the day the announcement is last valid. Do not paint or place decals or other foreign objects on the lockers.

## FOOD, CANDY, SOFT DRINKS

Soft drinks, energy drinks, coffee, candy, gum, or mints are not to be brought onto school property during the school day. Students are NOT allowed to chew gum inside the school building. **Students are NOT to order or have food delivered by outside vendors.** Parents may have lunch with their child (in the office) and supply lunch from outside vendors for their child only.

## iPADS/TEXTBOOKS /P.E. UNIFORMS

Textbooks/iPads are available on a rental basis. They are not free. Everyone is expected to pay for their own textbooks. The office will arrange an individual payment plan for parents to help meet their needs.

All textbooks/iPads must be returned at the end of the course in as good a condition as they were when they were rented. Students must pay for any damage done to rental textbooks/iPads. Charges will be determined by the principal based upon loss or damages to the book/iPad. Book damage charges will be for 1/2 the cost of the text or full cost depending on the principal's determination. If a textbook is lost during the school year, parents will be responsible for payment before a replacement text is issued.

An official physical education uniform will be sold to students and should be paid for as decided by your physical education teacher. All students are required to wear their uniforms during physical education classes. Continued refusal to wear a uniform will result in consequences determined by the administration.

## INSURANCE

**Students and their families should be aware that SVMS does NOT provide insurance for student injuries or damage/loss to personal property.** A homeowner's policy may cover property damaged or lost from the school premises: i.e. band instruments, calculators, etc. We encourage you to make sure you have adequate health and property damage/loss insurance coverage.

## FAMILY VACATIONS

For tests and classroom assignments to be made up because of a vacation or family emergency, the student must be accompanying his or her parents and the completed vacation form (available in the office) must be turned in at least two weeks in advance.

Assignments will be provided to the student upon return to school as long as the proper paperwork was filed prior to the vacation. The student will have one day for each day missed to turn in all assignments and make up all quizzes and tests.

Students may not exceed eight unexcused absences per semester. Should a student have accumulated a number of unexcused days and vacation days moving the student beyond the allowed eight, those days above eight will be determined to be unexcused.

## STUDENT COURTSHIPS

Students are expected to use good judgment and good taste in their affectionate expressions in school. The standard shall be that daylight must be visible between students at all times. Kissing, hugging, hand holding, and embraces are not allowed. After school detentions will be assigned for each offense.

## AUDITERIA

The auditeria offers a well-balanced lunch and breakfast at a reasonable price. In order to keep the cafeteria clean and attractive, students should observe the following:

1. Empty all paper debris into paper containers and recyclables in perspective containers.
2. Return all dirty dishes, trays, and utensils to the dishwashing window.
3. Keep tables, chairs, and floors clean and free of debris.
4. Keep auditeria lines orderly; wait your turn.
5. No food may be taken from the auditeria.
6. Observe all rules in the auditeria.
7. Students who continually disrupt will be isolated or removed from the auditeria for a period of time.
8. Only students who choose to eat breakfast are to remain in the auditeria after 8:05 dismissal. When finished eating, they must exit the auditeria.

## RETENTION

The building principal may retain a student when the student:

1. has NOT, in the opinion of the professional staff, achieved the instructional objectives set for the present grade; and/or
2. has NOT demonstrated sufficient proficiency to advance to the educational program of the next grade level; and/or
3. has NOT demonstrated the degree of social, emotional, physical maturation necessary for a successful learning experience in the next grade.

A student enrolled in special education shall be promoted or retained based on the opinion of the case conference and the student's I.E.P.

Students who did NOT pass the English/Language Arts and/or the Math portion of the ISTEP+ will be required to attend summer school. Failure to complete summer school will result in retention.

## HONOR ROLL

Distinguished Honor Roll: 4.0 – 3.667

High Honor Roll: 3.66 – 3.33

Honor Roll: 3.32 – 3.00

Students may not have any D's or F's.

## PETITIONING PROCEDURE FOR HIGH ABILITY PROGRAMMING

The petitioning procedure is for students who are not currently identified to receive high ability programming or have been dismissed from receiving high ability programming. Parents have nine weeks after the start of the school to appeal the decision if his or her child was not identified as a high ability student. The final date will be the official day in which the first grading period ends. If the student was dismissed from high ability programming, parents have nine weeks from the final dismissal decision to petition. The first step is to initiate a meeting with your child's classroom teacher. Inform the teacher of your intent to petition the decision that your child was not identified to receive high ability programming or that you are petitioning the decision that your child was dismissed from high ability programming.

## HOMEWORK/DAILY ASSIGNMENTS

We believe in students' completing all work assigned and doing so without argument. Homework and daily assignments are an accepted part of the South Vermillion educational process, and are to be completed.

In the event there is a continuing problem or one that you feel the need for assistance with, please contact either the team or guidance counselor for assistance. If you see a potential problem arising, come in and discuss it so we might head it off before it develops into a serious situation.

Parents are encouraged to use Harmony to view the homework agenda and monitor grades.

The following grading scale is to be used to compute students' grades on classwork/assignments:

<u>SCORE</u>	<u>GRADE</u>	<u>SCORE</u>	<u>GRADE</u>
93-100	A	73-76	C
90-92	A-	70-72	C-
87-89	B+	67-69	D+
83-86	B	63-66	D
80-82	B-	60-62	D-
77-79	C+	0-59	F

Students who are not completing assignments will be referred to the office when the team of teachers determines it to be habitual. Consequences will be determined by administration but could range from loss of privileges to ASAP.

## USE OF ELECTRONIC SIGNATURES

For the purpose of signing and agreeing to terms set forth in school procedures, enrollment changes and acceptance of school policies and procedures, the Board recognizes that a parent may sign such documents electronically, provided that such agreement by the parent is made from within a secure login provided to that parent.

## BAND/CHOIR

Students having made a commitment to band/choir shall not be allowed to drop the class until the end of the rotation with the parents' approval. This will only be approved if there is room in the other exploratory class. Students removed from band/choir for discipline problems or other reasons will receive a failing grade for the remainder of that particular semester. Students are expected to be in regular attendance for these classes and will not be allowed to miss band/choir to work on other classwork. Students not enrolled in band/choir at the beginning of the school year will not be allowed to join band or choir until a new semester begins. This will not apply to transfer students.

## VISITORS

Visitors are always welcome. All visitors will be required to ring the bell on the front entry and state their name and purpose of visit. Visitors will then sign in at the office and receive a visitor's badge upon entering the school.

## FIRE AND DISASTER

Fire and disaster drills are held throughout the school year. Detailed instructions will be discussed with you by your teacher. Also, instructions should be posted in classrooms.

## BUS REGULATIONS

1. Students are to ride assigned buses. Students must have a written note and signature of parent or guardian in order to ride another bus.
2. Students should be at pick-up points on time.
3. Bus drivers are in full charge of the riders at all times. Students may have riding privileges suspended at the request of the bus driver.
4. When a student loses riding privileges, parent contact will be made.
5. Students are to behave in an orderly manner when boarding, riding, and exiting the bus.
6. When boarding the bus, make sure the bus has come to a complete stop. Remain on the curb in front of the building until the bus is stopped.
7. Students, when disembarking, must cross the road when bus lights and stop arm are extended. Be careful to check the traffic.
8. Any type of behavior that threatens the health and safety of the bus occupants will not be tolerated.

## CELL PHONES/IPODS

Students are not allowed to carry any electronic devices on their person. This excludes any school issued devices. These devices must be kept turned off and in lockers. Cell phones may only be used after school, outside of the school building. If a student is found to have their cell phone on their person during the school day, it will be taken away and the student's guardian will need to make arrangements to pick it up. The student will also be assigned an ASD for this infraction.

## RIGHTS AND PRIVACY

In 1974, Congress passed the Family Rights and Privacy Act. The parents' rights under this act extend until the student is 18 years of age or is enrolled in a post-secondary institution even if he has not yet reached his 18th birthday. An eligible student is one who has reached the age of 18 or is enrolled in a post-secondary institution.

The law requires that schools receiving federal funds must:

1. Allow the parent or eligible student to review and inspect the student's record at reasonable times. This rule does not apply to records made and kept by one person, such as a psychologist or social worker which are not shared with anyone but a substitute for that person.
2. Give the parent or eligible student the chance to challenge the records in a hearing to make sure that they are not misleading or inaccurate.
3. Obtain written permission from the parent or eligible student before revealing the records to another person.
4. Notify parents or eligible students of their rights under this law.

Exceptions to Rule 3 are recognized. School personnel may show/turn over records without permission to:

- a. Other officials of the same school, including teachers.

- b. Officials of other schools in which the student seeks or intends to enroll.
- c. Certain federal, state, and local authorities performing functions authorized by law.
- d. Individuals or organizations in connection with a student's application for receiving financial aid.
- e. Court of law enforcement officials if the school is given a subpoena or court order.

Also in an emergency, the school may turn over records if failure to do so would probably result in a threat to health or safety to yourself or to others. "Directory type" information such as name, address, and telephone number may be released without permission. However, the school must give public notice of the parts of your records that are classified directory information. The school must also provide a reasonable amount of time to allow the parent or student to notify the school not to reveal that information.

The South Vermillion School Corporation designates the following items as Directory Information: student name, address, telephone number, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, hair and eye color, dates of attendance, degrees and awards received, most recent previous school attended, photograph and videotape not used in a disciplinary matter, *student work displayed at the discretion of the teacher with no grade displayed*. The corporation may disclose any of those items without prior written consent, unless notified in writing to the contrary by September 1<sup>st</sup> of the current school year.

### ATHLETICS

South Vermillion Middle School provides athletic opportunities for all students. Full time (all day) Middle School students may participate in volleyball, football, basketball, track, swimming, cross country, wrestling, drill team, and cheerleading. The following rules apply to student athletes:

1. No Tobacco--Any athlete smoking, using smokeless tobacco or having any form of tobacco in his/her possession will be automatically dismissed from the athletic activity for the remainder of the season.
2. No Drinking/Drugs--Any athlete found with alcohol or drugs, in any form, in his/her possession or under the influence of alcohol or drugs will be automatically dismissed from the athletic activity for the remainder of the season.
3. South Vermillion Middle School athletes are representative of the school, the team, and the community and should conduct themselves accordingly. Any behavior detrimental to the image of South Vermillion will result in the following consequences:

- 1st Offense - One game suspension
- 2nd Offense - Two game suspension
- 3rd Offense - Dismissal from the team

Parents will be notified of each offense by phone or letter. Examples of detrimental behavior - use of foul language, inappropriate use of social media, not following coach's instructions repeatedly, unruly behavior on the bus, in school suspension, out of school suspension, etc. An athlete is expected to maintain a higher standard of conduct than the non-participant. An athlete is given the privilege of representing the school and community and must do so in such a way as to be a good representation.

4. Each member of any athletic team is responsible for attending each practice session and game. If you have joined an athletic team, you have made a commitment to yourself, the other team members, the school, and the coaches. If practice or game is missed, you must have a valid excuse or face the following consequences:

- 1st Unexcused Practice - One game suspension
- 2nd Unexcused Practice - Two game suspension
- 3rd Unexcused Practice - Dismissal from the team

Examples of valid excuses include doctor's appointments or previous commitment to another school activity, such as the play. Hair appointments and birthday parties are not considered valid excuses from practice.

Coaches must be notified directly by the athlete of a missed practice - not through word of another student. If an athlete has an ASD on the day of practice, he may face the consequences of being late to practice which may include extra running to make up for the time missed.

5. In order to participate in an athletic event, the athlete must have attended school all day the day of the contest. Exceptions will be made by the administration for doctor's appointments and other personal reasons. If a student is suspended out of school, he is not to attend a practice or game that same day.
6. On the day of a game, either home or away, team members will dress properly. This means that old jeans or other sloppy attire will not be tolerated. Remember, you are constantly representing your family, your school, and your community. Team shirts may be worn on the day of a ball game with the coach's approval.
7. Athletes are expected to ride the team bus to and from any away event. Exceptions to riding the bus home will be made only by approval of the coach or the principal and a written note from parents.
8. To be eligible to try out for a team, an athlete must have a current physical on file with the athletic director. Physicals are valid for the entire school year and one physical is all an athlete needs to have on file. Students will be allowed to participate in more than one sport in the same season (but no more than two) with the exception of 7th & 8th grade cheerleading and drill team. As these two groups perform at the same events, participation in both sports would be impossible. Athletes must attend ALL practices and games of their first "in season" sport before they may attend any practices or games of a second sport. For example, a boys' basketball player would not be eligible to participate in wrestling until the basketball season was complete. Serious consideration should be given to the time and commitment it takes before any student decides to participate in more than one sport in the same season. The exception to this rule would be the participation on the cheer squad and drill team. Once a student has joined a sports team, he may not quit to join another team during the same season.

9. An athlete may be eligible to join and to be a part of a team as long as they have a 2.0 grade point average on a 4.0 grading scale (C- average). Student grade checks will be administered on a bi-weekly basis. If their grade point averages drop below a 2.0, students will be placed on a grade improvement contract. Students will be suspended for two games if they are placed on a grade improvement contract. In order to remain eligible, students will have to meet the stipulations of the contract by the next grade check. Student-athletes, coaches, and administrators will collaborate with teachers in an effort to understand the academic and behavioral performance of every student-athlete.
10. School uniforms are provided by the school for most sports. Some sports may require a uniform or part of a uniform to be purchased by the athlete. Any part of a uniform that is purchased by the athlete is the property of the athlete. Any part of the uniform that is purchased by the school is the property of the school and shall be returned at completion of the athlete's season.
11. According to IHSAA policy, the principal may suspend from any school program anyone whose actions prove to be detrimental to the school.
12. Athletes of all sports will abide by these established guidelines. This includes boys' & girls' basketball, cheerleaders, cross country, drill team, football, swimming, track, volleyball, and wrestling.

#### **CHEERLEADERS**

1. Try-outs for 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> grade cheerleaders will be held during each spring of the current school year. Cheer forms may be picked up in the front office once try-outs are announced.
2. The cheer coaches will determine the number of cheerleaders that will represent 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade.
3. Cheerleaders will be selected each year. There will be no automatic carry over from one year to the next.
4. Cheerleaders will ride a bus unless other arrangements have been made. Cheerleaders are also expected to ride the bus home. Exceptions will be made with the approval of the coach or principal and a written note from parents.
5. Cheerleaders will follow all guidelines as listed in the "Athletics" section of the student handbook along with the respective discipline consequences.
6. Cheerleaders will pay for their own uniforms.

#### **DISCIPLINE POLICY**

The purpose of our school is to provide the best possible educational environment for the students in our community. The student's prime responsibility is to secure an education, and we feel a proper atmosphere must be maintained within the school to make this learning possible.

There are times when it is necessary for school officials to make a decision concerning the acceptability of a student's behavior in school, and these decisions must be based on the welfare of the total school community and how this behavior problem will affect the learning environment.

If you are instructed by a teacher to report to the office, this means to report to the principal's office or assistant principal's office, NOT the guidance office. Students are to report directly to the principal's office or assistant principal's office when instructed.

The following acts set forth below are prohibited and offenders will be subject to suspension and/or expulsion for such misconduct:

1. Engaging in conduct that disrupts or interferes with school purposes. For example--the use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or other comparable conduct.
2. Trespassing, vandalizing school property, breaking and entering a school building or facility, attempting to set fire or setting fire or intentionally damaging any school property.
3. Causing or attempting to cause substantial damage to school or private property; stealing or attempting to steal school property or private property on school grounds.
4. Assaulting or attempting to assault a school employee, or engaging in conduct in such a way that reasonably could cause injury to school employees.

- (2) Causing or attempting to cause substantial damage to valuable private property, stealing or attempting to steal valuable private property of substantial value, or repeatedly damaging or stealing school property of small value.

- (9) Failing in a substantial number of instances to comply with directions of teachers or other school personnel during any period of time when the student is properly under their supervision, where the failure constitutes an interference with school purposes or an educational function.
- (10) Engaging in any activity forbidden by the laws of Indiana that constitutes an interference with school purposes or an educational function.
- (11) Violating or repeatedly violating any rules that are reasonably necessary in carrying out school purposes or an educational function and are validly adopted under IC 20-33-8-10 and IC 20-33-8-11 of this chapter.

- (13) False Reporting - Reporting unverified information (rumors). The Vermillion County Sheriff's Department will be contacted and a record of those reporting will be placed on file. If no truth is found in the accusation, those falsely reporting will be charged accordingly.

Unlawful activity by student (IC 20-33-8-15) – In addition to the grounds specified in subsection 6, a student may be suspended or expelled for engaging in unlawful activity on or off school grounds if:

- (a) the unlawful activity may reasonably be considered to be an interference with school purposes or an education function; or

- (b) the student's removal is necessary to restore order or protect persons on school property; including an unlawful activity during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions. 2. The superintendent, principal, any administrative personnel, or any teacher of the school corporation shall be authorized to take any action in connection with student behavior, in addition to the actions specifically provided in this chapter, reasonably desirable or necessary to help any student, to further school purposes, or to prevent an interference therewith, such action including such matters as:

- (F) Restriction of extracurricular activity

#### **BEHAVIOR MODIFICATION, SATURDAY SCHOOL, ALTERNATIVE SUSPENSION, AND OUT OF SCHOOL SUSPENSION**

A student may receive an out-of-school suspension for violation of school policies or for serious misbehavior. Each suspension may be as long as ten days. During the time of the suspension, the work missed may be made up; however, it is up to the individual teachers whether or not to grade or give full credit for the work. The absence will be unexcused but those days will not accumulate in any attendance total except for teacher records.

When a student receives a 5 or 10 day out of school suspension for a serious discipline violation as determined by the principal or assistant principal, it will be required of the student and parent(s) to meet and discuss expectations of their child prior to reinstatement.

Students may also be assigned to our behavior modification area. Students will be expected to do their homework and any make-up work, as well as lessons designed for them to correct behavior problems. Students who do not cooperate in the behavior modification area will be sent home and an additional two days of suspension will be added to the remaining time in behavior modification. Students who are removed from behavior modification may no longer be able to use behavior modification as a consequence. Future consequences could result in out of school suspension.

The Vermillion County School systems have instituted an Alternative to Suspension and Advancement Program (ASAP). A student may be placed in this program at the recommendation of school administration for violations of school policies or for serious misbehavior that would warrant out of school suspension as a consequence. ASAP is a court administered program that is housed in the PVETI building located at 615 E. Strawberry Road in Montezuma, IN.

#### **AFTER SCHOOL DETENTION**

The middle school after school detention program will be on Monday, Tuesday, and Thursday from 3:30 to 5:00 p.m. Students are expected to bring study materials or work will be provided for them.

- a. Students removed from ASD will be assigned another ASD, dependent upon the infraction.
- b. An ASD may be rescheduled one time only (per year) by the parent/guardian prior to 3:00 p.m. on the day to be served.
- c. Students who fail to report to an ASD will be assigned behavior modification and the ASD will be rescheduled for the next available date.
- d. Providing of transportation is the parents' responsibility and will not excuse a student from serving their assigned ASD.
- e. Behavior modification or other measures will **NOT** be substituted for ASD.
- f. Students who fail to report for ASD will not be allowed to attend or participate in SVMS extra-curricular activities for that evening.
- g. While it is hoped that parents can be contacted by phone, it is ultimately the students' responsibility to inform their parents of their scheduled ASD.

## BEHAVIOR AND DISCIPLINE

BEHAVIOR CONTRACT – Students who have been placed on a student behavior contract will be subject to the following:

First Major Infraction – 5 days out of school suspension/ASAP

Second Major Infraction – 10 days out of school suspension with recommendation for expulsion.

\*If the first offense is major enough to warrant expulsion, the administration reserves the right to suspend with recommendation for expulsion at that time.

\*\*A major infraction is classified as any suspendable offense.

SCHOOL JURISDICTION - The school year is defined as the starting date in the fall of one year to the starting date in the fall of the following year.
